

Home-Made Binoculars

Pretend binoculars for the kids to bird watch with!

Materials:

- 2 Cardboard Toilet Paper Rolls
- Small Piece of Lightweight Cardboard (from a cereal box)
- Paint
- Glue
- Scissors

Instructions:

1. Paint both cardboard toilet paper rolls. Set them aside to dry.
2. Cut a piece of lightweight cardboard 2" X 6" Paint it and set aside to dry.
3. Once all the paint is dry, place a line of glue down both long ends of the 2" X 6" piece of cardboard. Set the toilet paper rolls down on the glue and let dry.
4. Once every thing is dry you can add some embellishments to make them personalized!
