October, 2009

## October 2009

Fall is here; changing leaves, cooler weather and the excitement of Halloween is in the air. Thanksgiving is also a wonderful holiday to feast with the family.

This year when you trick-or-treat get your kids to ask for cell phone donations, as well as, candy. Approach your local shopping center to hold a cell phone drive during their trick-or-treat Halloween festivities in support of their local school. Use the monetary recovery to purchase a gift for the students, have a class party which everyone can enjoy or put it towards your annual goal!

Have the class design posters to put up a few weeks prior to the day so that neighbours are aware of the drop off location, dates and times and can get prepared.

The fall is also a good time to sort through your winter wardrobe and donate what you don't wear to a local charity.

Be safe when trick or treating and travel in groups. Happy Halloween! Good luck collecting cell phones.
